**Title 13—DEPARTMENT OF SOCIAL SERVICES  
Division 70—MO HealthNet Division  
Chapter 15—Hospital Program**

**ORDER OF RULEMAKING**

By the authority vested in the MO HealthNet Division under section 208.201, RSMo Supp. 2008, the division adopts a rule as follows:

13 CSR 70-15.200 is adopted.

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on December 15, 2008 (33 MoReg 2430–2431). Those sections with changes are reprinted here. This proposed rule becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The Missouri Department of Social Services, MO HealthNet Division received and reviewed written comments on the proposed rule from seven (7) sources: HealthCare USA, Two Rivers Psychiatric Hospital, Missouri Health Care Association, Washington University Physicians, BJC HealthCare, Missouri Hospital Association, and Missouri Center for Patient Safety. One (1) comment with corrections to the proposed rule was received from MO HealthNet Division staff. The comments are summarized as follows:

COMMENT #1: HealthCare USA commented in support of the department on this rulemaking addressing payment policy for a serious adverse event or hospital or ambulatory surgical center-acquired condition prior to the rule being filed with the Missouri Secretary of State.

RESPONSE: The department appreciates the support of HealthCare USA regarding implementation of this rule. No change to the rule text was made as a result of this comment.

COMMENT: #2 Two Rivers Psychiatric Hospital and the Missouri Health Care Association commented prior to publication that subsection (1)(A) should denote a particular version of the National Quality Forum “list of serious adverse events in health care.” The Missouri Hospital Association commented that subsection (2)(E) should also denote a particular version of the list of Medicare Hospital-Acquired Conditions (NCAs) non-payable for Medicare.

RESPONSE AND EXPLANATION OF CHANGE: The department agrees with the comment and revised subsection (1)(A) of the rule to denote a particular version of the National Quality Forum “list of serious adverse events in health care” prior to filing with the Missouri Secretary of State. Subsection (2)(E) will be changed to comply with state statutory requirements governing referral to external documents in regulations.

COMMENT #3: Two Rivers Psychiatric Hospital and Missouri Health Care Association commented prior to publication that the definition of “adverse event” and “preventable” were so vague as to not give meaningful direction to providers. Washington University Physicians commented that “electric shock” was not defined. Washington University Physicians and BJC HealthCare commented “low risk pregnancy” is not defined. The Missouri Hospital Association suggested that the implementation guidance of the National Quality Forum be incorporated in the rule because it provides additional detail regarding the definition of many of the National Quality Forum serious adverse events.

RESPONSE AND EXPLANATION OF CHANGE: The National Quality Forum, an organization created to develop and implement a national strategy for health care quality measurement and reporting, is responsible for the development of the serious preventable adverse events list. The definitions for adverse event, preventable, electric shock, and low risk pregnancy are all defined in the National Quality Forum’s publication “Serious Reportable Events in Healthcare: 2006 Update.” Subsection (1)(A) will be amended to incorporate by reference the criteria and implementation guidance of Table 1 of the National Quality Forum’s publication “Serious Reportable Events in Healthcare: 2006 Update.”

**COMMENT #4:** Two Rivers Psychiatric Hospital and Missouri Health Care Association commented prior to publication that section (2) of the rule uses the phrase “serious disability” as opposed to “serious harm,” meaning an injury could occur, but so long as it is not a disabling injury, it would not constitute an event disqualifying the facility from payment. BJC HealthCare commented that “serious” should be limited to permanent or irreversible loss of bodily function (not seven (7) days or present on discharge as medical conditions resolve after these time periods).

**RESPONSE:** No change was made to the rule text as a result of this comment. Serious is defined in the rule and by National Quality Forum as an adverse event that results in death or loss of a body part, disability, or loss of bodily function lasting more than seven (7) days or is still present at the time of discharge from a hospital.

**COMMENT #5:** Two Rivers Psychiatric Hospital and Missouri Health Care Association commented prior to publication that the denial of payment to a Medicaid enrolled provider would give rise to an administrative appeal under 208.156, RSMo. Washington University Physicians, BJC HealthCare, and Missouri Hospital Association also commented that the rule should, at a minimum, explain the process by which provider appeals will be acted upon.

**RESPONSE:** No change was made to the rule text as a result of this comment. The department agrees that denial of payment to a Medicaid enrolled provider would give rise to an administrative appeal under 208.156, RSMo.

**COMMENT #6:** Two Rivers Psychiatric Hospital and the Missouri Health Care Association both expressed concerns that hospitals faced with non-payment because of this rule will be tempted to claim that the adverse event occurred prior to admission to their hospital. Missouri Health Care Association suggested that stage 3 or 4 pressure ulcers acquired after admission to a healthcare facility be eliminated from the list of serious reportable events because of confusion that will be caused and the adverse relationships that it will foster between nursing facilities and hospitals.

**RESPONSE:** No change was made to the rule text as a result of this comment. The department appreciates the serious issue raised by the comment. However, the department believes that the healthcare providers will develop appropriate observation and documentation procedures and tools. Centers for Medicare and Medicaid Services (CMS) has required since October 2008 that all Inpatient Prospective Payment System hospitals code whether or not a condition was present on admission.

**COMMENT #7:** Two Rivers Psychiatric Hospital and Missouri Health Care Association commented prior to publication that the department does not have sufficient personnel to enforce this rule or if state staff would have the knowledge necessary to evaluate proper care in a psychiatric hospital. Two Rivers Psychiatric Hospital required time to explore concerns more fully or exempt psychiatric hospitals from the rule until the department has better experience with how it will work. The Missouri Hospital Association commented that the current “Present on Admission (POA)” coding only applies to hospitals paid under the Medicare Inpatient Prospective Payment System (IPPS). Other types of hospitals paid using different Medicare payment methodologies are exempt. The Missouri Hospital Association suggested that the non-IPPS hospitals be given more time to prepare for implementation of the POA reporting requirement before it is imposed.

**RESPONSE AND EXPLANATION OF CHANGE:** The department agrees that hospitals and ambulatory surgical centers not paid under the Medicare IPPS should have more time to prepare for implementation of the POA reporting requirement. A change has been made to section (5).

**COMMENT #8:** Missouri Health Care Association commented that if the proposed rule is to be limited to adverse events in hospitals or

ambulatory surgical centers then the phrase “healthcare facility” should be defined to mean only hospitals and ambulatory surgical centers to avoid confusion. The Missouri Hospital Association commented that at various points in the proposed regulation there is a need to add references to ambulatory surgical centers to make it clear that the payment standard applies to inpatient hospital services, hospital outpatient surgery, and ambulatory surgical center services.

**RESPONSE AND EXPLANATION OF CHANGE:** Sections (1), (2), and (4) will be changed to clarify that this regulation applies to inpatient hospital services, hospital outpatient surgery, and ambulatory surgical center services.

**COMMENT #9:** Missouri Health Care Association suggested that the division seriously consider the results of possible large scale reimbursement reductions and the defensive medicine which will be caused as a marketplace response to this proposed rule. It was suggested the rule will force hospitals to divert their resources to unnecessary risk management efforts. The Missouri Health Care Association encouraged the division to consider withdrawing the proposed rule to allow the division a better opportunity to evaluate its effect.

**RESPONSE:** No change was made to the rule text as a result of this comment. Medicare no longer pays the higher MS-DRG for certain categories of conditions covered in this rule that occur while a patient is in an inpatient prospective payment system hospital. In a July 2008 letter to state Medicaid directors, CMS provided guidance to states related to coordination of state Medicaid payment policies with those adopted by the Medicare program to prevent payment liability by Medicaid as a secondary payer.

**COMMENT #10:** Washington University Physicians and BJC HealthCare believe that MO HealthNet should not diverge from the approach implemented by CMS for the Medicare program.

**RESPONSE:** No change was made to the rule text as a result of this comment. In its July 31, 2008, State Medicaid Director letter, CMS said, “CMS encourages the States to consider the entire Medicaid population (not just dual eligibles) and all of the NQF Never Events in the creation of individual State policies. The guiding principle should be that payment and performance need to be linked. . . . This is an important part of the Secretary’s and CMS’ Value Driven Health Care initiative to ensure prudent use of resources to enhance quality care.” CMS announced in July 2008 the initiation of three (3) Medicare National Coverage Determinations (NCD) proceedings for “wrong surgery,” a category of never events included in the National Quality Forum’s list of serious reportable adverse events. On January 15, 2009, the NCD became effective.

**COMMENT #11:** Washington University Physicians and BJC HealthCare commented that the list of measures attributed to the National Quality Forum is not appropriate to be used as the basis for withholding MO HealthNet payments to providers.

**RESPONSE:** No change was made to the rule text as a result of this comment. According to the National Quality Forum, serious reportable events are defined as events which are of concern to both the public and healthcare professionals, are clearly identifiable and measurable and feasible to include in a reporting system, and of a nature such that the risk of occurrence is significantly influenced by the policies and procedures of the healthcare facility. As a prudent payer for healthcare services MO HealthNet believes that serious adverse events, such as surgery performed on the wrong body part, surgery performed on the wrong patient, or wrong surgery on the patient, should not be paid for by Medicaid.

**COMMENT #12:** Washington University Physicians, BJC HealthCare, and the Missouri Hospital Association commented that compliance with new policies that are at variance with the CMS present on admission policy will have a greater impact on providers than

claimed in the fiscal estimate, and that one (1) of several factors motivating the proposed rule is the goal of budget savings.

RESPONSE: No change was made to the rule text as a result of this comment. While the Medicaid portion of costs to avoid preventable serious adverse events will be reimbursed based on the hospital Medicare or Medicaid cost report, the division believes this rule will not necessitate costs that would not have been incurred in ordinary risk management effort. Budget savings is not a motivating factor for the proposed rule. As acknowledged by the commenter, it is the responsibility of MO HealthNet to ensure the highest level of care be provided to participants, and it is the obligation of the division to ensure public funds are spent efficiently. The division does not believe that preventable serious adverse events or hospital or ambulatory surgical center-acquired conditions are frequent occurrences, but the division is using the rulemaking process to make it clear that MO HealthNet will not pay for preventable errors that provide no benefit to the patient. The MO HealthNet Division uses the CMS (Medicare) hospital outpatient prospective payment system (OPPS) as the basis for determining payments to ambulatory surgery centers for surgical services.

COMMENT #13: Washington University Physicians commented that death or significant injury of a patient or staff member resulting from a physical assault (battery) that occurs within or on the grounds of a healthcare facility are, by definition, intentional acts by individuals, and such independent acts should not be the basis to deny payment for services rendered.

RESPONSE AND EXPLANATION OF CHANGE: The department intended that, among other things, the serious adverse event be within the control of the hospital. Subsection (2)(E) will be changed to delete death or significant injury of a patient or staff member resulting from a physical assault (battery) that occurs within or on the grounds of a healthcare facility.

COMMENT #14: BJC HealthCare commented that this rule and department determinations of preventable harm can be used effectively by plaintiff's counsel in medical malpractice litigation.

RESPONSE: No change was made to the rule text as a result of this comment. The purpose of this rule is to establish the MO HealthNet payment policy for services.

COMMENT #15: BJC HealthCare commented that several of the serious reportable events could be attributed to others.

RESPONSE: No change was made to the rule text as a result of this comment. The rule clearly states the payment will be denied when the event is within the control of the hospital or ambulatory surgical center.

COMMENT #16: BJC HealthCare commented that elopements, suicides, and abductions should be limited to inpatient hospital stays because emergency department and ambulatory outpatients are beyond stringent hospital controls.

RESPONSE: No change was made to the rule text as a result of this comment. The rule clearly states the payment will be denied when the event is within the control of the hospital or ambulatory surgical center.

COMMENT #17: BJC HealthCare and the Missouri Hospital Association commented that it was not specified in the regulation how the MO HealthNet Division would reduce payments to hospitals "for care only related to the treatment consequences of a serious adverse event" in an inpatient payment system based on per diem payments.

RESPONSE AND EXPLANATION OF CHANGE: Clarifying language has been added to section (4).

COMMENT #18: The Missouri Center for Patient Safety suggested that the title of the rule be broadened to reflect a general "Policy

for Preventable Serious Adverse Events."

RESPONSE: No change was made to the rule text as a result of this comment. At this time the department believes it is important to communicate that the focus of the rule is a decrease of preventable serious adverse events in hospitals or ambulatory surgical centers.

COMMENT #19: The Missouri Center for Patient Safety and the Missouri Hospital Association pointed out that not all the items on the list of National Quality Forum serious reportable events were included in subsection (2)(E).

RESPONSE: No change has been made to the rule as a result of this comment. Not all the services on the list are covered by MO HealthNet.

COMMENT #20: The Missouri Center for Patient Safety and the Missouri Hospital Association encouraged the department to work with federally-listed Patient Safety Organizations (PSO) and require MO HealthNet enrolled hospitals and ambulatory surgical centers to participate with a federally-designated PSO.

RESPONSE AND EXPLANATION OF CHANGE: The division agrees with this recommendation. Section (6) has been added.

COMMENT #21: A staff member pointed out grammatical errors in subsections (1)(A) and (1)(C) and paragraphs (2)(E)19. and (2)(E)21.

RESPONSE AND EXPLANATION OF CHANGE: Subsections (1)(A) and (1)(C) and paragraphs (2)(E)19. and (2)(E)21. have been corrected.

(C) Serious. An adverse event that results in death or loss of a body part, disability, or loss of bodily function lasting more than seven (7) days or, for a hospital patient, the loss of bodily function is still present at the time of discharge from a hospital.

(D) Healthcare facility. For purposes of the regulation shall mean a hospital or ambulatory surgical center.

(2) Payment to hospitals or ambulatory surgical centers enrolled as MO HealthNet providers for care related only to the treatment of the consequences of a serious adverse event will be denied or recovered by the MO HealthNet Division when such serious adverse event is determined to:

(E) Be included on the National Quality Forum list of Serious Reportable Events as of December 15, 2008, or the Centers for Medicare and Medicaid Services list of Medicare Hospital-Acquired Conditions (HCAs), non-payable by Medicare as of December 15, 2008. The National Quality Forum list of serious reportable events as of December 15, 2008, includes:

HealthNet director. The final decision of the division regarding the denial of payment shall be subject to review by the Administrative Hearing Commission pursuant to the provisions of 208.156, RSMo. Such payment limitation shall only apply to the hospital or ambulatory surgical center where the adverse event occurred and shall not apply to care provided by other hospitals should the patient subsequently be transferred or admitted to another hospital for needed care.

**Title 20—DEPARTMENT OF INSURANCE,  
FINANCIAL INSTITUTIONS AND PROFESSIONAL  
REGISTRATION  
Division 500—Property and Casualty  
Chapter 7—Title**

**ORDER OF RULEMAKING**

By the authority vested in the Department of Insurance, Financial Institutions and Professional Registration under sections 374.045 and 381.042, RSMo Supp. 2008, the director amends a rule as follows.

20 CSR 500-7.030 is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on November 17, 2008 (33 MoReg 2238). Those sections with changes are reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

**SUMMARY OF COMMENTS:** A public hearing on this proposed amendment was held January 22, 2009, and the public comment period ended January 29, 2009. At the public hearing, department staff explained the amendment, and the director received comments from David Townsend and Brent Scheer with Agents National Title Insurance Company, Donnia Mayfield, the Missouri Title Legislative Study Group, and Jim Drake.

**COMMENT #1:** Martha Burton, on behalf of the department, and the Missouri Title Legislative Study Group commented that the sections on Form T-6A should be renumbered.

**RESPONSE AND EXPLANATION OF CHANGE:** The director agrees with this comment and will renumber the sections on Form T-6A accordingly.

COMMENT #2: David Townsend and Brent Scheer, on behalf of Agents National Title Insurance Company, commented that Form T-6A should be held confidential by the director.

RESPONSE: The director appreciates this comment; however, no changes have been made to the rule or forms in response. Form T-6B is given confidentiality protection by the director because the director believes the information reported amounts to a trade secret as defined by section 417.453(4), RSMo. The information reported on Form T-6A does not qualify as a trade secret, thus is not given additional confidentiality protections.

COMMENT #3: Donnia Mayfield commented that Form T-6A should include a verification that the agency is properly licensed and followed the law regarding title plant searches, section 381.071, RSMo.

RESPONSE: The director appreciates this comment; however, no changes have been made to the rule or forms in response. A licensing review is not specifically included in the list of review findings required by section 381.023.2, RSMo, therefore, it is not included in Form T-6A. While title plant search compliance is not explicitly included in Form T-6A, a review of underwriting practices, including title searches, is inherent in Section 1 of Form T-6A.

COMMENT #4: Jim Drake commented that the rule should apply to all title agencies, even those based outside Missouri.

RESPONSE: The director appreciates this comment; however, no changes to the rule or forms were made in response. The director interprets the authorizing statutes and rule to apply to all title insurance agencies contracted with a title insurer authorized to do business in Missouri, regardless of that agency's location.

COMMENT #5: Jim Drake and Rick Hollenberg, on behalf of the Missouri Mortgage Bankers, commented that title insurance agent escrow accounts, particularly sweep accounts, should be protected by the Federal Deposit Insurance Corporation (FDIC).

RESPONSE: The director agrees that FDIC protection is beneficial; however, the director declines to specify which federal entity must appropriately insure deposits or institutions in accordance with section 381.022.1(2), RSMo. Section 381.022.3, RSMo, prescribes the conditions under which escrow funds can be lawfully disbursed, including transfers to a sweep account. Form T-6A, Section 12, already requires that the insurer's onsite review determine compliance with section 381.022.2, RSMo, which requires the use of "separate fiduciary trust accounts or accounts in a qualified depository institution". No changes have been made to the rule in response to this comment.

COMMENT #6: The Missouri Title Legislative Study Group commented that Section 4 of T-6A should be modified to reflect the distinction between Forms T-6A and T-6B.

RESPONSE AND EXPLANATION OF CHANGE: The director agrees with this comment and has modified Form T-6A accordingly.

COMMENT #7: The Missouri Title Legislative Study Group commented that Form T-6B should be modified to show that agents report policies rather than policy files to the underwriter.

RESPONSE AND EXPLANATION OF CHANGE: The director agrees with this comment and has modified Form T-6B accordingly.

COMMENT #8: Rick Hollenberg, on behalf of the Missouri Mortgage Bankers Association, expressed opposition to David Townsend's and Brent Scheer's suggestions in Comment #2, above, regarding expanding the confidentiality protections offered by the proposed amendment and Form T-6A. Mr. Hollenberg stated that public knowledge of efficiencies or inefficiencies of an agent or agency are of the most importance for a consumer. Public access to the results of the reviews required by the amendment and forms works toward agents and agencies being more sensitive to complying with the law and employing a best practices model for their busi-

nesses. Mr. Hollenberg further commented that much is being made today of transparency in governmental affairs and the public is demanding that governmental bodies account for and grant access to government records. To sequester such information would work against the public's best interest. Public access to the annual reviews would provide notice to the public of possible issues alerting buyers, sellers, and lenders that they would be better served by a competitor with better business practices. Withholding this information, as suggested by Mr. Townsend and Mr. Scheer, places consumers at a greater risk and subjects them to otherwise avoidable damages.

RESPONSE: The director appreciates and agrees with this comment. No changes have been made to the rule or forms in response.

## Title 20—DEPARTMENT OF INSURANCE, FINANCIAL INSTITUTIONS AND PROFESSIONAL REGISTRATION Division 500—Property and Casualty Chapter 7—Title

### ORDER OF RULEMAKING

By the authority vested in the Department of Insurance, Financial Institutions and Professional Registration under section 374.045, RSMo 2000 and sections 381.023 and 381.042, RSMo Supp. 2008, the director adopts a rule as follows.

20 CSR 500-7.080 is adopted.

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on November 17, 2008 (33 MoReg 2238-2242). Those sections with changes are reprinted here. This proposed rule becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: A public hearing on this proposed rule was held January 22, 2009, and the public comment period ended January 29, 2009. At the public hearing, department staff explained the new rule and the director received comments from David Townsend and Brent Scheer with Agents National Title Insurance Company, Donnia Mayfield, the Missouri Title Legislative Study Group, Missouri Mortgage Bankers Association, and Jim Drake.

COMMENT #1: David Cox, on behalf of the department, commented that subsection (2)(A) should be deleted because licensing review is not explicitly provided for in the authorizing statute.

RESPONSE AND EXPLANATION OF CHANGE: The director agrees with this comment and modified the rule accordingly.

COMMENT #2: David Townsend and Brent Scheer, on behalf of Agents National Title Insurance Company, commented that Form T-6A should be held confidential by the director.

RESPONSE: The director appreciates this comment; however, no changes have been made to the rule in response. Form T-6B is given confidentiality protection by the director because the director

believes the information reported amounts to a trade secret as defined by section 417.453(4), RSMo. The information reported on Form T-6A does not qualify as a trade secret, thus is not given additional confidentiality protections.

**COMMENT #3:** Donnia Mayfield commented that Form T-6A should include a verification that the agency is properly licensed and followed the law regarding title plant searches, section 381.071, RSMo.

**RESPONSE:** The director appreciates this comment; however, no changes have been made to the rule or forms in response. A licensing review is not specifically included in the list of review findings required by section 381.023.2, RSMo, therefore, it is not included in T-6A. While title plant search compliance is not explicitly included in Form T-6A, a review of underwriting practices, including title searches, is inherent in Section 1 of Form T-6A.

**COMMENT #4:** Jim Drake commented that the rule should apply to all title agencies, even those based outside Missouri.

**RESPONSE:** The director appreciates this comment; however, no changes to the rule or forms were made in response. The director interprets the authorizing statutes and rule to apply to all title insurance agencies contracted with a title insurer authorized to do business in Missouri, regardless of that agency's location.

**COMMENT #5:** The Missouri Title Legislative Study Group commented that Section 4 of T-6A should be modified to reflect the distinction between Forms T-6A and T-6B.

**RESPONSE AND EXPLANATION OF CHANGE:** The director agrees with this comment and has modified Form T-6A accordingly.

**COMMENT #6:** The Missouri Title Legislative Study Group commented that Form T-6B should be modified to show that agents report policies rather than policy files to the underwriter.

**RESPONSE AND EXPLANATION OF CHANGE:** The director agrees with this comment and has modified Form T-6B accordingly.

**COMMENT #7:** Rich Hollenberg, on behalf of the Missouri Mortgage Bankers Association, expressed opposition to David Townsend's and Brent Scheer's suggestions in Comment #2, above, regarding expanding the confidentiality protections offered by the proposed rule and Form T-6A. Mr. Hollenberg stated that public knowledge of efficiencies or inefficiencies of an agent or agency are of the most importance for a consumer. Public access to the results of the reviews required by the rule and forms works toward agents and agencies being more sensitive to complying with the law and employing a best practices model for their businesses. Mr. Hollenberg further commented that much is being made today of transparency in governmental affairs and the public is demanding that governmental bodies account for and grant access to government records. To sequester such information would work against the public's best interest. Public access to the annual reviews would provide notice to the public of possible issues alerting buyers, sellers, and lenders that they would be better served by a competitor with better business practices. Withholding this information, as suggested by Mr. Townsend and Mr. Scheer, places consumers at a greater risk and subjects them to otherwise avoidable damages.

**RESPONSE:** The director appreciates and agrees with this comment. No changes have been made to the rule or forms in response.

**COMMENT #8:** Jim Drake and Rick Hollenberg, on behalf of the Missouri Mortgage Bankers, commented that title insurance agent escrow accounts, particularly sweep accounts, should be protected by the Federal Deposit Insurance Corporation (FDIC).

**RESPONSE:** The director agrees that FDIC protection is beneficial; however, the director declines to specify which federal entity must appropriately insure deposits or institutions in accordance with section 381.022.1(2), RSMo. Section 381.022.3, RSMo, prescribes the conditions under which escrow funds can be lawfully disbursed, including transfers to a sweep account. Form T-6A, Section 12,

already requires that the insurer's onsite review determine compliance with section 381.022.2, RSMo, which requires the use of "separate fiduciary trust accounts or accounts in a qualified depository institution." No changes have been made to the rule in response to this comment.

## 20 CSR 500-7.080 Insurer's Annual On-site Review

(2) Standards of Annual On-site Review. Insurer shall conduct an annual on-site review of underwriting, claims, and escrow practices of agencies where commitments and/or policies of the insurer have been issued that is reasonably designed to detect violations of Chapter 381, RSMo, compliance with the Issuing Agency Agreement, and compliance with the underwriting standards and guidelines as established by the insurer. The insurer annual on-site review shall provide, at a minimum, for the following:

(A) Underwriting Practices and Claims. The title insurer shall review the agency's adherence to its established underwriting standards. The title insurer shall review the agency's procedures for notification of claims according to the terms of the Issuing Agency Contract between the title agency or agent and the insurer and the terms contained in the insurer's policies of title insurance;

(B) Insurer Remittances. Each on-site review shall verify that the funds held on behalf of the insurer are reasonably ascertainable from the books of account and records of the title agency or agent and are sufficient to satisfy the obligations of the title agency or agent to the insurer. Each on-site review shall verify that remittances are being paid to the insurer by the policy issuing agent in a timely manner in accordance with section 381.038.3, RSMo;

(C) Insurer-Agency Contract. Each on-site review shall include a review of the title insurer and title insurance agency/title insurance agent contracts to ensure a) the contract sets forth the responsibilities of each party and, when both parties share the responsibility for a particular function, specifies the division of responsibilities, and b) the contract is up-to-date and properly executed;

(D) Annual Statement. The title insurer shall obtain from the title insurance agent, or from the title insurance agency if the title insurance agent is employed by a title insurance agency, a statement of financial condition of the title insurance agent or title insurance agency as required pursuant to section 381.023.2(2), RSMo, which includes an income statement and balance sheet or federal tax return showing the condition of the title insurance agent/agency affairs as of December 31 of the preceding year, or fiscal year. This statement of financial condition shall be certified by the title insurance agent or the title insurance agency's designated agent as being a true and correct representation of the financial condition. The title insurer shall document its receipt of the title insurance agent's or title insurance agency's statement of financial condition in the title insurer's on-site review report and shall maintain the documentation provided by the agent/agency in support of such statement for a period of at least four (4) years;

(E) Affiliated Business. The title insurer shall review the title insurance agent's affiliated business arrangements for conflicts of interest and regulatory compliance;

(F) Orders. Each on-site review shall reconcile the title agency or agent's orders with commitments, title searches, and title policies of the insurer, and collection of premiums on behalf of the insurer;

(G) Commitments. Each on-site review shall include a review of:

1. The title insurance agent's procedure for tracking issued commitments of the insurer;

2. The title insurance agent's practices relating to cancellation of commitments of the insurer on transactions that do not close; and

3. The title insurance agent's procedures for follow-up after closing to track status of outstanding conditions required for timely issuance of policies of the insurer;

(H) Voiding Policies. Each on-site review shall include a review of the title insurance agent's procedure for voiding policies of the insurer according to the terms of the Issuing Agency Contract and other guidelines as may be established from time-to-time by the insurer;

(I) Escrow, Security, and Settlement File Tracking. Each on-site review shall include a review of the title insurance agent's tracking of its open escrow files, security settlement, or closing files where commitments or policies of the insurer have been issued;

(J) Policy Register. Each on-site review shall include a reconciliation of policy jackets provided to the title insurance agent by the insurer, compared to existing outstanding inventory and policies of the insurer issued by the title insurance agent;

(K) Policy Issuance. Each on-site review shall include a review of the title insurance agent's files, where commitments or policies of the insurer have been issued, to determine the average length of time between the issuance of the title policy and either all of the requirements to insure have been met or special circumstances for policy delay as contained in 20 CSR 500-7.090 have been met; and

(L) Escrow Practices and Account Reconciliation. For those agents performing escrow, security settlement, or closing services pursuant to section 381.022, RSMo, the title insurer shall review the title insurance agent's closing procedures and shall include a sample of escrow closing files where commitments or policies of the title insurer have been issued, and based upon the findings of a review of the monthly reconciliations of all of the fiduciary trust accounts, as certified by the title agent or agency to the insurer, prepared by the title agent or agency. The review shall include a determination of compliance with the following: a) use of escrow agreements; b) adherence to the "good funds" requirements; c) deposit practices; d) disbursement of funds in compliance with written instructions; and e) recording of all deeds, releases, and other documents required of the title insurance agent.

## Tips for Rulemaking

### Using Commas

- Use a comma after each item in a series of three or more words, phrases, letters, or figures used with *and*, *or*, or *nor*. For example—adopt, amend, or withdraw.
- Use a comma before the conjunction in a compound sentence. For example—The Administrative Rules division prints the *Missouri Register*, and they print the *Code of State Regulations*.
- Use a comma after the year in complete dates (month, day, and year) within a sentence. For example—The amendment was in the June 15, 2008, issue of the *Missouri Register*.
- Do not use a comma before the ZIP Code. For example—Jefferson City, MO 65101.
- Do not use a comma between the month and year. For example—October 2008.
- Do not use a comma before abbreviations of compass directions. For example—6430 Princeton Dr. SW.

For more information about comma use, please consult the *GPO Style Manual* (<http://www.gpoaccess.gov/stylemanual/browse.html>), or contact the Administrative Rules Division at (573) 751-4015.
